

Water at Work

WATER COOLER SERVICE

LINCAT EB3FX

The Lincat EB3FX is a high quality hot water boiler which is easily operated from a large, colour touchscreen display. It's narrow 25cm footprint will save valuable counter space making it the perfect asset for most environments. The economic setting is excellent for reducing the volume of boiling water by 50% for quieter periods throughout the day. It has a reliable electronic temperature control system with an enhanced multi-level diagnostics and an adjustable water temperature from 70°C - 98°C.

KEY FEATURES:

- Economic Boiler.
- Heating 31 litres per hour.
- 10 litres Instant Draw Off capacity.
- Large colour screen display
