

Water at Work

WATER COOLER SERVICE

CRYSTAL MOUNTAIN **CRYSTAL PRO**

Enjoy purified drinking water that also tastes great with this Crystal Mountain Crystal Pro purified water dispenser.

The Crystal Pro was designed to bring great tasting water to any business and would suit most sectors as the water cooler was built to work with any filtration system.

The Crystal Pro has stainless steel hot and cold water reservoirs with a 3 Gallon holding tank (4.7 gallon total water storage). It boasts a UV light system at the last point before dispense and a UV light failure notification. The filter compartment is easily removable with a front access panel.
